

# 2014 AICC Mexico Annual Meeting & Trade Fair

## Guadalajara, Mexico

Riu Plaza Guadalajara Hotel

**May 14-16, 2014**

Dynamic Leadership is the theme for the upcoming 2014 AICC Mexico Annual Meeting. This year's meeting will feature industry speakers, a plant tour, and a trade fair as well as a multitude of networking opportunities.

The three-day program will offer innovative educational programming that will provide the opportunity to hear from experts on how to cultivate and develop future leaders in your company that will enhance your business.

The host city for the 13th Annual AICC Mexico Meeting is Guadalajara. Guadalajara is the second largest city in Mexico and a major Mexican business center. It is a city with great cultural heritage in contrast to the contemporary Guadalajara which represents modern Mexico, thanks to the solid economic, industrial, commercial and service structure. It is the ideal place for both doing business and discovering authentic Mexican culture.

Guadalajara's historic downtown has beautiful squares, monuments, fountains and parks. Its history dates to the 16th century, possessing some of the richest heritage of colonial Mexico.

### Trade Fair

The AICC Mexico Trade Fair provides a professional, prestigious and educational environment to reach the key decision makers from independent box plants in Mexico.

- Over 35 industry suppliers will be exhibiting
- Over 100 companies will attend!

### Networking Opportunities

You will have the opportunity to network and improve your business by meeting with industry leaders, marketing and production experts, and industry suppliers as well as with your peers to learn about innovation in products, best practices and markets.

### Plant Tour

All meeting participants will have the opportunity to visit a local plant in Guadalajara
